17/ INTERNATIONAL INVESTMENT IN THE AGRIFOOD SECTOR IN BRETAGNE

124 sites, about 10 000 jobs, 22 nationalities (please, refer to the back of this map for companies' names). Data are extracted from the regional observatory on international investment, ran by Bretagne Commerce International. The methodology used is the following: a foreign investor must have required directly at least 10% of the share capital of company located in Bretagne. The Breton entity has to be registered under a business identification (SIRET) number.

/ Nationality of the shareholder & staff numbers
